COVID-19 Testing Sites in Colombia

The U.S. Embassy Bogota, Colombia assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by the following persons or firms. Inclusion on this list is in no way an endorsement by the Department of State or the U.S. Embassy. Names are listed alphabetically and by city, and the order in which they appear has no other significance.

The Colombian Health Ministry maintains a list of facilities that provide COVID-19 tests here: <https://covid19.minsalud.gov.co/>. U.S. citizens in Colombia should use this list or may be able to use a delivery app such as Rappi (search Prueba Covid). You must pay for your own test. Neither the Colombian government nor the U.S. Embassy will pay for COVID-19 tests. The average cost of testing varies widely, from about 100,000 Colombian pesos for an antigen test to as much as 300,000 Colombian pesos for a PCR test.

Test results will often be sent to you by email or text message.
